Project Name:

Old La Honda Road Emergency Slip-out
Repair Project

Project Location:

Old La Honda Road 1.0 miles west of Hwy 35 in
unincorporated San Mateo County

Project Number: 09OLH

Responsible Unit: Design

Description of Project:

On January 4, 2023, Governor Gavin Newsom proclaimed a state of emergency throughout the State of California to support the response to historic rain and flooding. Heavy rains saturated slopes and triggered a road slip-out on Old La Honda Road that requires immediate repair.

Emergency repair work will consist of stabilization of the slope with soil nails and a shotcrete wall and reconstruction of the roadway with soil lifts and a concrete block facing wall. A metal beam guardrail will be installed. Vegetation removal within the project area will be limited to the minimum necessary to complete the repair.

Post-construction erosion control BMPs will be installed to conserve soil resources and protect water quality. All temporary surface disturbances will be seeded with native plants. All project activities will be conducted in accordance with BMPs, and protection measures specified in the County of San Mateo Routine Maintenance Program (RMP) 2023 Manual: Table 9-1 and Appendix A, Routine Maintenance Standards BMPs and San Mateo Countywide Water Pollution Prevention Program Construction BMPs (2014).
