Rebuttal to Argument in Favor of Measure Q

Vote NO on Measure Q. There is too much to lose and nothing to gain!

If Measure Q passes, Pacifica will lose:

- Hundreds of volunteer hours our nonprofit groups spend cleaning our beaches.
- Thousands of dollars in funding to Pacifica nonprofits, youth, and sports groups that enrich our community.
- The community celebrations that bring our neighbors together.

Measure Q won't solve the problem of illegal fireworks. The City's report on this measure is clear. In the *City Council Agenda Summary Report*, Daniel Steidle, Chief of Police, reported that:

"It is important to note that even if the Safe and Sane program is prohibited, illegal fireworks will continue to be used, and enforcement and fire-risk challenges will continue."

Thousands of tons of illegal fireworks flood California every year. They are the loud explosives that shoot into the air, scare our pets, and put communities at risk. Other cities have found that the problem of illegal fireworks increases by banning the sale of legal, Safe, and Sane fireworks.

We are your neighbors. We live here and would not endanger our community. The fireworks we sell are approved by the State Fire Marshal and are a fun, safe way to celebrate Independence Day. The current program for selling Safe and Sane fireworks has been developed over the past 40 years. It has included two ballot measures that affirmed the community's desire to continue the program.

Don't end the sale and use of legal, Safe and Sane fireworks. Please join us in voting NO on Measure Q. There is too much to lose.
