Project Title: San Bruno Bicycle Route Installation Project

Project Location: This project is located along various streets in the City of San Bruno, County of San Mateo, California.

Description of Nature, Purpose, and Beneficiaries of the Project: Implementation of approximately 18.2 miles of class III bike routes identified in the City of San Bruno Walk'n Bike Plan to improve the environment and neighborhood livability by reducing traffic, air pollution, noise and energy consumption by implementing components of a comprehensive bikeway network and making biking in San Bruno safer, easier and more popular. Improvements consist of shared-lane markings, signage, traffic-calming measures, traffic diverters, and/or speed feedback signs. Locations of implementation are at various locations city-wide. The primary beneficiaries of the project are the residents, businesses, patrons, and the general public.
